## ***Podržani na svaki način od strane lidera na svetskom tržištu***

VARTA® pokreće Johnson Controls Power Solutions, globalni lider u proizvodnji automobilskih olovnih i naprednih akumulatora za Start-Stop, hibridna i električna vozila. U stvari, naših 50 proizvodnih, reciklažnih i distributivnih centara obezbeđuje više od jedne trećine svetskih olovnih akumulatora glavnim proizvođačima automobila i prodavcima auto-delova.

Pored toga, kroz naše inovacije izgrađujemo naprednu industriju akumulatora za hibridna i električna vozila: mi smo bili prva kompanija na svetu koja je proizvela litijum-jonske baterije za serijska hibridna vozila.

Naša posvećenost odgovornom upravljanju resursima je takođe vidljiva, kroz tehnologiju svetske klase, sposobnošću reciklaže i proizvodnje.
